Trading Strategies

Strategy-1: Trap Trading

Indicator Required: Volume spread for VSA – HariprasathGopal

Volume spread for VSA -

- 1. Red Very High Volume
- 2. Yellow High Volume
- 3. Green Average Volume
- 4. Blue Low Volume

Strategy Rule:

- Time-Frame: 1 Min

- Find the volume in VSA.
- Find the candle with that high volume.

See the previous trend of the market.

- Draw a zone by taking high and low of the candle.
- Make sure that when market **breaks** and candle **close** below zone, will look for the short.
